

**Title:** Web Applications Developer – Site Operations Team (Full time)

**Location:** Cambridge, MA / New York, NY

**Compensation:** Competitive. Eligible for quarterly bonus and pre-IPO stock option grants twice per year.

**To Apply:** Submit online at [www.nextjump.com/applynow](http://www.nextjump.com/applynow). Resume should include all relevant coursework and web applications experience. One page resumes preferred.

**Job Description:**

Next Jump is building a world-class engineering team on the East Coast. Do you live and breathe technology, take pride in your accomplishments, and enjoy working with other talented team members? We seek inspired engineers interested in designing, architecting and coding cutting edge web 2.0 applications in a fast-paced agile development environment. If you are looking for the opportunity to play a key role in every aspect of the project strategy, design, and implementation of our products, then we may be a great fit for you.

**Requirements:**

- Experience developing in PHP
- Strong knowledge of object oriented programming
- JavaScript, AJAX, AJAX Frameworks, and DOM technologies
- HTML and CSS
- MS SQL Server, My SQL, or related RDBMS
- Experience creating web applications
- Excellent organizational and communication skills
- High-degree of creativity and strong analytical mindset
- Pursuing BS or MS degree in CS, CSE, HCI, IS, ECE or related field

**Preferred:**

- XML/XSLT experience
- Experience developing in Java or C++
- Zend Framework
- Linux/Unix environment proficiency
- UML knowledge
- Familiarity working with open source IDEs
- Experience with revision controls systems like SVN

Next Jump will be on-campus on January 19 and 20. We are currently scheduling on-campus interviews for full time and internships– submit your resume online to be considered for interviews.

**Company Summary:**

With one of the largest Internet engineering teams on the east coast, Next Jump has quietly created a world class, next generation shopping platform adopted by MasterCard and most Fortune 1000 companies. The recently launched OO.com, with valuable, proprietary WOWPoints™ for every transaction, is the company's first consumer shopping site. Next Jump's eco-system of blue-chip brands and high-value shoppers have made it the loyalty and rewards program of choice for Dell, Hilton Hotels, and numerous others, as well as similar programs for membership organizations like AARP. Next Jump was founded by Charlie Kim, CEO and is based in New York City.
