

**Title:** Quality Assurance Engineer

**Location:** New York, NY

**Compensation:** Competitive. Eligible for pre-IPO stock option grants.

### **Job Description**

Next Jump is looking for an experienced QA Engineer to join the Quality Assurance Team.

### **Responsibilities:**

- Testing of rapidly developed software (back-end, front-end and mobile) across multiple systems and operating systems
- Development of regression and feature test cases
- Development of automated test scripts
- Management of Projects and associated issues including tracking project quality status
- Interacting with developer teams to gather testing requirements to develop and execute test plans

### **Requirements:**

- Strong analytical and troubleshooting skills, ability to think independently and suggest/apply a sound logical approach to solving day-to-day testing issues
- Experience with black box, functional, component level, integration level and regression testing
- Experience working with UNIX and SQL
- Excellent written and verbal communication skills
- Understanding of version control processes
- BA/BS degree in Computer Science or related field
- 2-4 years of Software QA engineering

### **Bonus Skills:**

- Hands on experience with Jscript
- Experience developing Test Automation and white box testing
- Understanding of Database concepts and queries
- Experience with performance testing
- Shell scripting capabilities
- Understanding of HTML, CSS, and DOM
- Understanding of Agile Development processes

### **Company Summary:**

With one of the largest Internet engineering teams on the east coast, Next Jump has quietly created a world class, next generation shopping platform adopted by MasterCard and most Fortune 1000 companies. The recently launched OO.com, with valuable, proprietary WOWPoints™ for every transaction, is the company's first consumer shopping site. Next Jump's eco-system of blue-chip brands and high-value shoppers have made it the loyalty and rewards program of choice for Dell, Hilton Hotels, and numerous others, as well as similar programs for membership organizations like AARP. Next Jump was founded by Charlie Kim, CEO and is based in New York City.
