

Title: Security Engineer (Network Operations Center)

Location: Cambridge, MA

Compensation: Competitive. Eligible for pre-IPO stock option grants.

Job Description:

Next Jump is looking for a world class security engineer. The primary responsibility will be to work with operations and engineering resources to secure new systems/applications, implement various monitoring and analysis tools, analyze and screen changes, and ensure compliance. If you have a passion for security and are looking for the opportunity to play a key role in the overall security program, then we may be a great fit for you.

Requirements:

- Solid foundation in Unix/Linux systems
- Solid foundation of Windows systems & group policy
- Proficiency in at least on scripting language
- An understanding of web application and systems/network vulnerabilities and the tools used to identify these
- Experience developing in PHP
- Strong knowledge of object oriented programming
- Knowledge of LAN/WAN networks
- JavaScript, AJAX, AJAX Frameworks, and DOM technologies
- HTML and CSS
- MS SQL Server, My SQL, or related RDBMS
- Experience creating web applications
- Excellent organizational and communication skills
- High-degree of creativity and strong analytical mindset
- BS/MS degree in Information Assurance, Network Security, Information Security, CS or related field

Preferred:

- Experience with Web Client/Server application architecture and security
- Experience with PCI & SAS 70
- Experience with the management of firewall, web application firewall, IDS/IDP, and security event management technologies
- Experience developing in Java or C++
- Zend Framework, JSP, ASP.NET
- Experience with revision controls systems like SVN

Company Summary:

With one of the largest Internet engineering teams on the east coast, Next Jump has quietly created a world class, next generation shopping platform adopted by MasterCard and most Fortune 1000 companies. The recently launched OO.com, with valuable, proprietary WOWPoints™ for every transaction, is the company's first consumer shopping site. Next Jump's eco-system of blue-chip brands and high-value shoppers have made it the loyalty and rewards program of choice for Dell, Hilton Hotels, and numerous others, as well as similar programs for membership organizations like AARP. Next Jump was founded by Charlie Kim, CEO and is based in New York City.
